

Intro – Open Dialogue – Collaborative- Solution Driven

Questions: If you could do whatever you wanted to do, what would it be? What would your day look like? What does this have to do with Financial Worth. Mayan predictions – mention calendar and video – what would you like to get out of today? What questions do you have? How are you feeling about the current economic situation? Do you feel it is an accident, was created or orchestrated, or was a natural occurrence? What could some of the benefits be?

- Do you work with a Trust Company? Do you have a True Self Directed IRA? If you have your own business do you have a SoloK? Do you invest your 401k or IRA Funds in Real Estate, Tax Liens, Private Placements, Notes, Etc. Do you have Stocks? Bonds?
- CD's? Cash Value Life Insurance? Heloc's? Hedge? Options? On what? Mutual Funds? Do you know what the High Net Worth and Ultra High Net Worth Invest In?
- Do you understand our money system? Do you know that when money is printed it does not create value, but is in fact debt? Do you know who is benefiting from this system? Do you measure your worth in dollars? What is Value? How do you measure it? What is enduring worth? Can value and worth be passed on, go beyond you?
- Would you be interested in a win- win system of community based worth and value inventory & financing system if you could benefit at the same level or more than you are now in the present financial services system? What is the main purpose of the financial services industry, the financial press, and the financial media?
- Do you feel the Fed Reserve system is working for you? Do you feel empowered by the current tax system? What may be better for you, and for the country. How was USA built economically? What changed? What would bring it back to health and vitality, and empower productivity and ownership?
- What would you like to see happen the next year economically? Politically? How can you contribute and assist in that happening?
- Do you feel you are well prepared for a downturn? Do you feel your assets are allocated and protected no matter what happens in the economy? What would it take to do that?
- What is your idea of worth? Value? What system would be the most beneficial, empowering, and uplifting to support you in achieving your goals and dreams? What gets in the way? What is your greatest Value? Are you offering it to others now?
- What if any changes are you making due to the current conditions? Are you happy with your response to the current conditions, or are you still looking for more information or knowledge in addressing the present and future situation? Where do you look for that information or knowledge now? Are you open to new sources of information if they have proven successful?
- Are you self sufficient? If you lost all your dollars and wealth do you feel confident in your ability to survive? Thrive? What would you do to achieve that? What tools? What Value?
